

**OFFICIAL NORTH DAKOTA CITIZEN REQUEST:**

**“I support having a fully funded, comprehensive tobacco prevention program in the state of North Dakota.”**

Nearly 90 percent of smokers start smoking before the age of 18. The Center for Disease Control and Prevention (CDC) recommends North Dakota spends \$9.8 million each year for a comprehensive tobacco prevention program.

We ask our ND Legislators to honor our wishes and fully fund a comprehensive tobacco control program to stop the cycle of tobacco Addiction in our state and work to create the first tobacco-free generation.
