

OFFICIAL NORTH DAKOTA CITIZEN REQUEST:

“I support raising the price of Tobacco to assist in Youth Tobacco Prevention efforts across North Dakota.”

Raising the price of tobacco products is one of the Center for Disease Control (CDC) best practices and is a proven strategy to diminish the number one cause of preventable death and disease in our state: *tobacco use*.

We ask our ND Legislators to honor our wishes to raise the price of tobacco to help deter our youth from beginning a dangerous addiction and to help our state keep working toward creating our first tobacco-free generation.
